

Department of Energy

§ 1015.202

§ 1015.106 Subdivision of claims not authorized.

Debts may not be subdivided to avoid the monetary ceiling established by 31 U.S.C. 3711(a)(2). A debtor's liability arising from a particular transaction or contract shall be considered a single debt in determining whether the debt is one of less than \$100,000 (excluding interest, penalties, and administrative costs) or such higher amount as the Attorney General shall from time to time prescribe for purposes of compromise or suspension or termination of collection activity.

§ 1015.107 Required administrative proceedings.

DOE is not required to omit, foreclose, or duplicate administrative proceedings required by contract or other laws or regulations.

§ 1015.108 No private rights created.

The standards in this part do not create any right or benefit, substantive or procedural, enforceable at law or in equity by a party against the United States, its agencies, its officers, or any other person, nor shall the failure of DOE, Treasury, the DOJ or other agency to comply with any of the provisions of this part be available to any debtor as a defense.

Subpart B—Standards for the Administrative Collection of Claims

§ 1015.200 Scope.

The subpart sets forth the standards for administrative collection of claims under this part. This subpart corresponds to 31 CFR part 901 of the Treasury Federal Claims Collection Standards.

§ 1015.201 Aggressive agency collection activity.

(a) Heads of DOE Headquarters Elements and Field Elements or their designees must promptly notify the appropriate DOE finance office of claims arising from their operations. A claim will be recorded and controlled by the responsible finance office upon receipt of documentation from a competent authority establishing the amount due.

(b) In accordance with 31 CFR Chapter IX parts 900–904 and this part, DOE will aggressively collect all debts arising out of activities. Collection activities shall be undertaken promptly with follow-up action taken as necessary.

(c) Debts referred or transferred to Treasury, or Treasury-designated debt collection centers under the authority of 31 U.S.C. 3711(g), shall be serviced, collected, or compromised, or the collection action will be suspended or terminated, in accordance with the statutory requirements and authorities applicable to the collection of such debts.

(d) DOE will cooperate with other agencies in its debt collection activities.

(e) DOE will refer debts to Treasury as soon as due process requirements are complete, and should refer such debts no later than 180 days after the debt has become delinquent. On behalf of DOE, Treasury will take appropriate action to collect or compromise the referred debt, or to suspend or terminate collection action thereon, in accordance with the statutory and regulatory requirements and authorities applicable to the debt and action. Appropriate action to collect a debt may include referral to another debt collection center, a private collection contractor, or the DOJ for litigation. (See 31 CFR 285.12, Transfer of Debts to Treasury for Collection.) This requirement does not apply to any debt that:

- (1) Is in litigation or foreclosure;
- (2) Will be disposed of under an approved asset sale program;
- (3) Has been referred to a private collection contractor for a period of time acceptable to Treasury; or
- (4) Will be collected under internal offset procedures within three years after the debt first became delinquent.

(f) Treasury is authorized to charge a fee for services rendered regarding referred or transferred debts. DOE will add the fee to the debt as an administrative cost (see § 1015.212(c)).

§ 1015.202 Demand for payment.

(a) Written demand as described in paragraph (b) of this section will be made promptly upon a debtor of the United States in terms that inform the debtor of the consequences of failing to cooperate with DOE to resolve the
